
Residential Building Lots

Hotel Park Subdivision

Helena, MT 59601
MLS 266183-266185, 266187, 266188

Welcome to the Hotel Park subdivision located just west of the city of Helena. A total of 5 separate parcels are available ranging in size from 19,090 up to 31,914 square feet. These lots already include gas, electric, a well, and a drain field based on a 3-bedroom dwelling. (The well pump, septic tank, and dosed pump system are not included.) Take advantage of this great opportunity to build the home of your dreams. The contour of the land will accommodate a variety of architectural designs for today's lifestyle. You are limited only by your imagination. Be sure your new home includes lots of windows to take advantage of the beautiful rolling hills and mountainsides surrounding the area. Montana is known as the "Big Sky" country and that is what this location is all about. This subdivision is located off US Highway 12 away from the daily traffic flow making it more appealing and safer for the children when playing outdoors. But it is only minutes away from the Kessler School in one direction and the VA Hospital in the opposite direction. To better assist your expectations, we have included a virtual tour that will highlight the subdivision and the surrounding countryside. Be part of this neighborhood; call Steve at 406-439-5293 and schedule your personal tour.
